

SINCE 1990

Gordon Food Service Sales Teams:

Sandridge Crafted Foods® recently updated the name and branding of Grandma's® Original Recipes to Grandma's Kitchen™. Along with the new look, we needed to change all the UPC codes, resulting in new reorder numbers being assigned to each SKU.

We are now shipping the product with new codes and new packaging – we're still using the same great recipes your customers have always loved!

Below is a list of the current (old) SKUs with the corresponding new SKU and an image of the new packaging.
